

# Premier Dance Center Company Auditions

The team experience here is always an exciting addition to a child's dance experience and encourages not only growth and excellence but fosters new friendships that last a lifetime! Our auditions will provide training in Hiphop, Ballet, Jazz, Turns and Jumps technique. To audition for hiphop, your child must be 5 years old with at least 1 year of dance experience. To audition for jazz or contemporary, your child must be 5 years old with at least 2 years of dance experience. We ask that your child come in a black tank or sports bra, black dance shorts, and jazz shoes. Please see info below on the dates your child will attend. Students will learn a jazz, contemporary, and hiphop combo as well as work on technique, facials, and performance quality. Placements will be made by our staff after all workshops are completed. Placement decisions are final and any complaints of placement will result in immediate removal from company team. We strongly suggest students attend our pre-evaluations in June which will help them further their knowledge of any technique/skills.
