

Premier Dance Center Company Auditions

The team experience here is always an exciting addition to a child's dance experience and encourages not only growth and excellence but fosters new friendships that last a lifetime! We will be holding workshops during the week of auditions and will provide the necessary training and information to see your dancer through the audition process. Our workshops will provide training in Ballet, Jazz, Turns and Jumps technique. To audition for hiphop, your child must be 5 years old with at least 1 year of dance experience. To audition for jazz, your child must be 5 years old with at least 2 years of dance experience.
